Eyeshadow Tutorial : Wet on Wet Technique : Part 1

I don't know why I sound like I'm 5 in this video...I'm sure Pedo Bear wouldn't mind haha! Detailed Instructions: www.xanga.com This is a different approach on applying eyeshadow. The wet on wet technique gives you the ability to pick up more pigments and smoother application. It is gentle on the eyes and will not mess up with your foundation or powder. Joseph Chiang painted the beautiful watercolor painting =) Music: Spirited Away : Opening
Mika Nakashima: Yuki No Hana Instrumental
